Once again, later in the half. Kansas tried for another goal from the field, but the attempt failed, and the Cornbuskers were never again in the slightest danger. VICTORS PLAY BRILLIANT GAME

Kicks and Cross Passes Follow Each Other in Rapid Succession.

BOSTON, Mass., Nov. 9 .- The memory of previous defeats was forgotten today in the victory of the Cartisle Indians over Harvard by a score of 22 to 15. For versatility of play the Indian team has not been equalled in Soldiers' field since the new rules went into effect. Forward passes, delayed kicks and cross passes followed each other in rapid succession until the Harvard players became bewildered and seemed utterly unable to stop the march of the Indians toward their goal. The viaftors scored twice in the first half and twice in the second, and all the four times on brilliant rushing. The Harvard points were made on two touchdowns and a would from placement by Captain Parker. Each of the touchdowns were made on fumbles by the Indians directly in front of their own goal line, so that it was comparatively easy for the Crimson players to push the ball over for a score. One of the Harvard goals from touchdown was missed, but little Mount Pleasant, the Indian quarters back, kicked three of four attempts.
